

Myro and Cheddo Build a Home

Akram Az

Myro held the round window frame against the new house. Cheddo popped his face through the middle. Myro moved the frame a little left. Cheddo followed. A little right. Cheddo followed again. At last, they both laughed. Myro set the frame above the door, and Cheddo carried over the next plank.

What would you put beside the front door?

You don't have to answer.
